Executive Head Teacher: Mrs Wendy Stone

3rd January 2019

Dear Parents and Stakeholders,

As you are aware there will be two public consultation meetings regarding the proposed federation of Minster and Monkton Church of England Primary Schools. I wanted to write to explain the format of the sessions. You are welcome to attend either session. They will both have the same format and both schools will be open for an hour, at the times detailed below.

There will be no formal presentation, but there will be members of the Senior Leadership Team and the Governing Body available for you to talk to, should you wish to ask questions or clarify aspects of the proposal. If you want to write a written response to the proposal, there will be a comments box and paper/pens available.

The school improvement plan for each school will be available to view, as will the proposed business plan for the two schools. There will also be refreshments available.

The meetings will be held on:

8/1/2019 from 6pm-7pm at Minster Church of England Primary School, Molineux Road, Minster, Kent,
CT12 4PS

and
9/1/2019 from 6pm-7pm at Monkton Church of England Primary School, Monkton Street, Monkton, Kent,
CT12 4JQ

You are invited to attend, ask questions and share your thoughts on these proposals.

Yours faithfully,

Wendy Stone

Executive Headteacher
