

19 September 2018

Dear Parent/Guardian,

Harvest Festival

Harvest Festival Bags

Your child has brought home a decorated Harvest Bag. Please fill the bag with suitable items i.e. fruit, veg, tins and packets and return it to school on the morning of **Friday 21 September**. Please ensure that all items are edible and in date. The bags are displayed in the church for our Harvest Festival and for the Sunday Harvest Festival Service.

School Harvest Festival Service

Our Harvest Festival will take place at St Mary Magdalene Church, Monkton on **Monday 24 September 2018 at 9.30am**. All parents and friends are welcome to join us. The Church is situated at the top end of the village. From Willetts Hill turn right and the church is at the far end of the village. From Minster drive past the school straight over the mini round about at Willetts Hill. (this is a no through road and is blocked off at the end). **Please ensure that your child has a raincoat in school on this day. Thank you**

Church Harvest Festival

St Mary Magdalene Church Harvest Festival service will take place on Sunday 23 September at 10:15am. Everyone attending Monkton CEP School is welcome to join the congregation to celebrate Harvest Festival.

In the week after the service, bags containing perishable goods will be distributed to the elderly residents of the village by staff and pupils from the school. All tinned and dried goods will be donated to the Thanet Food Bank.

Thank you in advance for your contributions.

Yours sincerely,

K A Wilson
Head of School
