Dear Parent and Guardians,

**Re: PE Kits - Dragonfly Class**

Just a letter to let you know /remind you of the correct PE Kit your child should have in school for Years 1 and 2

Your child should have the following kit:

**PE Bag**

**Red PE T-shirt**

**Black PE shorts**

**PE Socks**

**Plimsoll – inside PE**

**Trainers – outdoor PE**

**Warm Tracksuit**

During the winter months it is very important that your child has a warm tracksuit. Your child may also have an extra sweatshirt to wear over their PE T-shirt and under their tracksuit top when they go outside.

It is equally important that your child has both plimsolls for indoor PE and trainers for PE outside.

**Football – Year 2 only –at present this is not required until you are informed you are notified by Mrs Osgood.**

If at a later stage your child is taking part in football coaching/club please note the following information from the Thanet Primary School Football Association and Team Theme:

All children should wear trainers for coaching and lessons.

**Football Boots must be worn for matches** but note: no metal studs at all. On artificial grass – AstroTurf or trainers are acceptable. If your child is taking part in matches regularly, we would advise you to purchase blade type boots that can be worn on grass or AstroTurf.

Shin Pads must be worn for matches and be fully covered by socks.

Yours sincerely,

K Wilson (Mrs)  
Head of School
