

Monkton C. E. Primary School

19 October 2016

Dear Parents

As you know the new National Curriculum is now in place at Monkton CEP School.

There is a big emphasis on children knowing their times tables and having a quick recall of both multiplication facts and the inverse of these facts, division. E.g.

$6 \times 4 = 24$, $4 \times 6 = 24$, $24 \div 6 = 4$, $24 \div 4 = 6$

Please find below a few fun websites for your child to play at home either on their own, against a family member or friend and, at the same time, learn their times tables:

<http://resources.woodlands-junior.kent.sch.uk/maths/timestable/interactive.htm>

<http://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

<http://www.topmarks.co.uk/maths-games/11-14-years/number>

<http://www.multiplication.com/games/all-games>

http://www.mad4maths.com/multiplication_table_math_games/

<http://www.crickweb.co.uk/ks2numeracy-multiplication.html>

<http://www.bbc.co.uk/bitesize/ks2/maths/number/division/play/>

http://www.mathplayground.com/index_multiplication_division.html

A copy of this letter is on the school website, so that you can easily use the links.

Yours sincerely,

A handwritten signature in black ink that reads "J.M. Kennett".
